

South African Caffee

We are a small shop selling only South African products like groceries, sweets, liquor, curios etc.

We sell our cigarettes at \$13.50 per packet of 20 cigarettes which is very expensive compared to the \$9.10 for 30 in New Zealand. Our cigarettes are mostly bought as a special treat or gift and not for everyday smoking.

The weight per box of 20 cigarettes is between 24g and 26g.

As you can see in the following table, we sell well-known international brands. The total value of the cigarettes imported was NZ\$~~26~~2,208.00

I Cornelius Frederik Jacobus Bosman, Director of South African Caffee, certify that the information annexed to this return is correct for the purpose of the Smoke-free Environments Regulations 1999.
